BRECKSVILLE-BROADVIEW HTS. CITY SCHOOL DISTRICT

"where fine education is a heritage"

Dear Parents and Guardians,

Welcome to the 2013-14 school year. I am certain it will be another fantastic year for many reasons including the support of our students and staff by the PSO. I encourage all parents to join this important organization and to be active members. This calendar, which is the favorite resource for many in our district, is just one example of the numerous annual projects undertaken by the PSO. I cannot thank them enough.

Last year, our students once again met and exceeded expectations. We had Presidential Scholar nominees, National Merit Scholars, perfect scorers on the SAT and ACT as well as AP Scholars. BBHCSD students captured state championship athletic titles and won many awards in writing, art and music. The Class of 2013 was offered over \$24 million in scholarships and grants. Our students matched their academic success with successful fundraising efforts. Donations to the Yuletide Hunger, Kick-It-For-Cancer and American Heart Association fundraisers each broke records last year.

I hope this school year is one of success and academic growth for your students. If, along the way, you have building concerns, please contact your student's principal, or in the case of district concerns contact the appropriate Central Office administrator. I, too, am available to assist in any way necessary to insure that the best educational opportunities are available for your students.

My family and I hope to see you and your family at a game, concert, art show, bingo night, etc. some time this year.

Best Wishes,

Scot T. Prebles
Superintendent

Dear Parents and Guardians,

On behalf of the Brecksville-Broadview Heights School District I am very excited to welcome you to our community. Our district has a fantastic team of teachers and support staff who are dedicated to the education of our children.

If you are new to our school you will be pleasantly surprised to learn that there is a whole other part of the school waiting to welcome you. The PSO (Parent School Organization) is your all-access pass to get connected with the school. You can expect the PSO to do whatever they can to promote successful community at your school.

Please give some thought to joining our PSO in the fall. PSO membership is open to all members of your family. We also hope you will have the opportunity to attend your school's PSO meetings. The meeting dates and times will be listed in the PSO Calendar on your school's PSO web site in June. You will also receive a hard copy of the PSO calendar this summer.

You can volunteer in a time frame that fits your schedule and interests. Also, if you are willing to start something new, we would be delighted to let you. Just be ready to take an active role in volunteering on that committee. The committees and programs for each school will be listed in the PSO calendar along with the phone number and e-mail address of the coordinators of the events. The support of our families is why we are so successful in offering enriched activities during the school year. We need your help to continue our tradition of "Excellence with Distinction."

Please visit our school district's website at www.BBHCSO.org. Simply click on the tab for your school to find a wealth of information including monthly newsletters, calendar of events, and contact information for all school personnel. This website is a valuable tool to keep you informed of all the news and programs that will affect your child.

We would like to also invite you to sign up for our weekly email updates. This can be done by providing us your email address. Go to www.BBHPSOCouncil.com and scroll down to "Join our Distribution List" and enter your email address. It's that easy!

Please feel free to contact me if you have any questions. I look forward to welcoming you to the PSO family!

Band Boosters (BB)

Band Boosters are the parents and friends of the high school band members. We work together to promote positive understanding and support of the band programs among students, parents, school and community. Our objectives are to provide the following services and material assistance to the bands as needed: acquiring, maintaining and replacing band uniforms; purchasing and/or repairing instruments; and assisting in the planning and fund raising for trips and special appearances. Our major fundraisers are the Fall and Winter Athletic Program sales and the holiday citrus fruit sale. Our meetings are usually on the first Tuesday of each month in the high school band room. Come and join us! For more information call the Band Office at (440)740-4792 or check the website <http://www.bbhcsc.org/high/band/boosters.htm>.

Vocal Music Boosters (VMB)

The Vocal Music Boosters Club is an organization devoted to the support of all facets of the Vocal Music Department. Fundraisers are held to purchase choir apparel, underwrite trips, and provide other necessities. Our primary fundraiser, *Ticket to Broadway*, will be held this year on February 10 and 11. This is an exciting and entertaining evening featuring the talents of *Music in Motion* and *Commotion* and special guest artists. An elegant hors d'oeuvres/dessert buffet and dancing complete the evening. Please support our students by attending the performance and gala, choir concerts, and booster meetings. Booster meetings are generally held on the third Tuesday of each month in the Music Theory Classroom. For more information on VMB, please call Denise Eder at (440) 717-1170. For the latest information on performances and shows, call the Performing Arts Hotline at (440)740-4782 or check the Vocal Music page of the school website at <http://www.bbhcsc.org/high/choir>.

BBHHS Alumni Association

The Alumni Association was established in 1897 to assist its members in continuing high school friendships, interests and to promote a sense of civic pride and duty. Membership is open to all students and faculty of Brecksville-Broadview Heights High School. For more information, please contact Sue Schultz at (440)792-4849 or check the website at <http://www.bbhcsc.org>.

Bee Athletic Boosters (BAB)

BAB is an active club including parents, faculty, and coaches who work to foster school spirit and enhance the sports experience for student athletes in grades 7-12. Funds are raised through annual membership, a golf outing held in August, 50/50 raffles, and a Super Bowl Tailgate held in February. BAB also coordinates individual sport fund raising in order to assure consistency and minimize overlap. BAB meets 7:00PM for one hour the first Monday of each month in the HS media center. BAB is a 501 (c)(3) and accepts tax deductible donations. For more information, email BAB president Dave Best at dbest@kwcommerical.com or check BAB website <http://www.bbhcsc.org/high/sports/boosters.htm>.

Brecksville-Broadview Hts Schools Foundation

Community leaders formed the Brecksville-Broadview Heights Schools Foundation in 1993 as a way to provide programs to enrich the educational experiences of Brecksville-Broadview Heights City Schools students. The Foundation offers scholarships to graduating seniors and enrichment grants for classrooms and enhances educational opportunities. Additionally, the Foundation offers memorial endowment funds to honor or memorialize loved ones. Your contribution will light the way for students in our schools. You may choose from a number of options for making your tax deductible gift. For more information, call Carla Calevich at (440)740-4028.

P.A.C.E.

P.A.C.E. (Parent Association Committed to Excellence) is an organization open to all parents of high ability students in kindergarten through 12th grade enrolled in our district or those interested in gifted education. We hope to provide an open forum for the exchange of ideas and concerns related to the parenting and education of high ability children. We also work closely with the administration to continually evaluate and enhance the services provided to these students. For more information, please contact Leslie Zonfa at (440)740-0870.

Orchestra Boosters (OB)

Founded in 1997, this organization is committed to the support of our high school orchestra students. Orchestra Boosters help provide funds for instruments, music lessons for students and scholarships for graduating seniors. They also help support the students in attending the yearly orchestra banquet as well as other social events. Boosters holds an annual Holiday Concert Poinsettia sale and sells bouquets of flowers to honor your child for his/her performance. By becoming a yearly Sponsor of the Orchestra Boosters and/or participating in the meetings, you will help accomplish these goals. Meetings are held at 7:00pm Monday evenings as listed on the calendar in the BBHHS Media Center. Please join us! For more information, call Mr. Steve Cocchiola in the Orchestra office at (440)740-4793.

Community Awareness and Prevention Association

C.A.P.A is a non-profit 501c3 organization that was founded in 1989. It is a unique collaboration between the cities of Brecksville and Broadview Heights and the Brecksville-Broadview Heights School District. The coalition is comprised of parents, school and law enforcement personnel, business professionals, religious leaders, health providers and other community activists who are mobilizing at the local level to make the communities of Brecksville and Broadview Heights safer, healthier and drug-free.

The C.A.P.A. Coalition is committed to improving overall health and wellness by sponsoring initiatives that promote awareness and education of substance abuse and misuse, and contribute to reducing the incidence of alcohol, tobacco and drug use among youth and adults.

Mission Statement: To work in collaboration with the communities and school district of Brecksville and Broadview Heights to promote awareness and education about substance abuse. C.A.P.A. will provide guidance, intervention and resources to those in need.

S.A.D.D. (Students Against Destructive Decisions)

is a peer leadership organization for 9th through 12th grade students dedicated to preventing destructive decisions, particularly underage drinking, other drug use, impaired driving, teen violence and teen depression and suicide. For more information, please visit www.sadd.org

H.U.D.D.L.E.

The H.U.D.D.L.E. program is a peer-to-peer mentoring program in which high school students educate 6th and 8th grade students on the dangers of alcohol, tobacco and other drugs, while building social skills. In addition, the program fosters leadership and responsibility among its members through participation in community events that promote healthy decision making.

RESPECT

The RESPECT program is an exciting student leadership club for current 9th, 10th, 11th and 12th grade students. Respect is a program offered through Akron Children's Hospital as an initiative to prevent dating violence and to train high school students to serve as ambassadors who will then help connect other students who are facing difficult issues with guidance counselors and other resources.

QUEST

QUEST (Quest for Understanding the Exceptional Student Together) is an informational and networking group for parents/guardians of children with special needs (preschool through 12th grade and beyond) in the Brecksville-Broadview Heights School System. QUEST was founded to improve communication between parents and professionals dealing with the exceptional child on a daily basis and to become an information source for parents, educators, and the community. Our goal is to attain a quality education for these students so that each can make a difference in the world.. For more information call Maria Hearn at 440-717-1681.

Lunch Menus

August, September 2013

Lunch menus for August and September will be available on the district website by the end of June. For families without on-line computer access, we will have limited copies available at the beginning of the year opening events at each school location. Parents may also opt to sign up for a printed copy of the monthly menu, sent home with their child. This form will be included with the free and reduced lunch application packet in August, 2013.

The Food Service Department will continue to make healthy and current changes to the school menus that promote better nutrition. We are committed to making the school cafeterias a place for students to learn and choose healthy foods that encourage life-long wellness behavior.

BEACH BALL 2014 – FRIDAY, FEB. 28

Plan now to spend a tropical evening in support of the Schools Foundation's efforts to provide classroom enrichment grants and scholarships.

The Beach Ball, now in its 8th year, is a casual evening that includes an open bar, dinner, entertainment, both live and silent auctions as well as great socializing with friends and neighbors. Thanks to the generosity of those who attend the event and those who donate to it, the Beach Ball has raised thousands of dollars to benefit students right here in our school district.

St. Michael's Woodside, 5025 Mill Rd., Broadview Heights, will once again be transformed into a tropical get-away for the evening. Check the Schools Foundation web site, www.bbhsf.org, later in the year for ticket information and previews of some of the exciting auction items that will be available.

If you would like to donate a basket for the silent auction or an item for the live auction, please contact us at info@bbhsf.org.

You are invited to join us.

It's easy to become a member or renew your membership. Just fill out the form below and return it with your check today. Your membership dues are tax deductible.

In addition to the membership program, the foundation offers funds to honor or memorialize a loved one while enriching the education of our students.
