Brecksville-Broadview Heights
City School District

2015-2016 Planner

Dear Parents and Guardians,

The Brecksville-Broadview Heights PSO and the Brecksville-Broadview Heights City School District have changed the purpose of this publication in light of increased use of electronic media and volume of content.

Previously, the intent was to publish a calendar that included all dates and activities, individual school's staff rosters and other information. As activities and events increased the calendar became cumbersome to use and difficult to format. Multiple events listed on the same day were difficult to read.

Thus, the calendar has now become a planner listing only dates of building wide activities and events impacting many families. The staff rosters have been eliminated, as normally they are not finalized when this document goes to print in the summer. Also, when an event date must be changed during the course of the school year the calendar cannot be updated

We hope that you will use this planner and personalize it with events and appointments specific to your family. The district will be relying more on each school's calendar posted and easily updated on the district website (bbhcsd.org) Please check each school's section of the website for staff listings, building specific events and news items. The PSO website (bbhpsocouncil.com) will also include additional information.

The administration and Board of Education thank the PSO volunteers who worked so hard on this planner including parents Allen McCrodden and Lila Tamulewicz.

Scot T. Prebles

Band Boosters (BB)

Band Boosters are the parents and friends of the high school band members. We work together to promote positive understanding and support of the band programs among students, parents, school and community. Our objectives are to provide the following services and material assistance to the bands as needed: acquiring, maintaining and replacing band uniforms; purchasing and/or repairing instruments; and assisting in the planning and fund raising for trips and special appearances. Our major fundraisers are the Fall and Winter Athletic Program sales and the holiday citrus fruit sale. Our meetings are usually on the first Tuesday of each month in the high school band room. Come and join us! For more information call the Band Office at (440)740-4792 or check the website <http://www.bbhcscd.org/high/club/boosters.htm>.

This is an exciting and entertaining evening featuring the talents of Music in Motion and Commotion and special guest artists. An elegant hors d'oeuvres/dessert buffet and dancing complete the evening. Please support our students by attending the performance and gala, choir concerts, and booster meetings. Booster meetings are generally held on the third Tuesday of each month in the Music Theory Classroom. For more information on VMB, please call Jean Farah at 216-401-6039.
