Our district could participate. From specialty plate fee, \$30 would come back to the district to be used for mental health issue. High School students are working on designing the plate.</li> </ul>
<b>PRINCIPALS AND PSO UNIT PRESIDENTS</b>	
<b>High School- Joe Mueller Principal &amp; Jaci Owens Guidance Counselor</b>	<ul style="list-style-type: none"> <li>• Yes! We made it through Winter Break! I hope everyone had a great vacation, a great time with family and friends, and return refreshed, refocused, and ready for exams and our journey through the winter of 2016. Based on past experiences, we know we will get through winter - eventually.</li> <li>• You ask, "but what about exams?" Answer: We get through the week. It's a great week! We have an open campus, fewer classes each day, and early release. And at the end of it all, we have grades, report cards and half of the year is complete. We've made it halfway home!</li> <li>• Some questions arise. What about the exams themselves? What do we get from them? What is the takeaway? What do they mean? If the answers to these questions are grades, stress, and not much more - then we're missing the mark! Educators have serious and passionate discussions about (semester) exams. There are many perspectives within and outside of our school about the purpose and meaning of these assessments. At BBHHS, we are committed to meaningful assessment and grade reporting practices. One of the stated reasons for exam week at BBHHS is to prepare students for college. Traditionally, colleges have "exam weeks," during which students take finals that, traditionally, have determined their grade in that course (which would seem to explain why it might take 2 hours, or more). After all, if the final exam is an assessment of all of the content considered in a course, a student's exam score tells what they know and can do. Simple. If that's what our students will face in the future, let's get them ready, just like we do with</li> </ul>

	<p>English, Math, Science, Government, etc. The question here is how to deal with our attendance and assignment requirements, which are generally not the same than at the college level. Another reason for our semester/final exams is the opportunity for students to demonstrate for the last time what they've learned. There are three viewpoints on this thought. First, by the end of the course, kids should have GBED! Second, if students know the material better at the end of the year, the school should report what they know, not an average of everything. Third, if a student has mastered things during the year, what happens if they have a bad test day? Of the many other exam discussions, a traditional one seems to be the most common: exams give students the opportunity to earn more points to boost and pad their grade. Therefore, are exams needed after 90 days of learning/attending? At what point do we know what a student knows, and what have we done about it? As mentioned above, what happens if a student's exam score is totally different than what has been observed/recorded for 90 days? It shouldn't, but sometimes does, happen.</p> <ul style="list-style-type: none"> <li>• Our goal is to prepare you for life after BBHHS. Your performance on OGT/EOC and ACT/SAT exams help you access post-high school opportunities, and all of our courses, tests and reports give us all information about how you should expect to do on these assessments, as well as your potential for success.</li> <li>• We expect your best effort on EVERY test, quiz, unit exam; on every classroom assessment and during exam week. Your futures depend on it!</li> <li>• We will continue to review your exam results and share the evidence of learning you provide with the faculty, district and your families. The school receives data of your learning. You receive the learning you have done (YOGOWYPI!). GBED and YBED (Your Best Every Day)!</li> <li>• Kids need 18 points on the Ohio Graduation tests. There are 7 exams &amp; you can score 1-5 on each exam. You need 4 points in English, 6 in Social Studies &amp; Science &amp; 6 in Math. Most kids are getting 4 &amp; 5's</li> <li>• Praised CAPA &amp; the environment it promotes!</li> <li>• In 4 years the High School swimmers have become a state level powerhouse.</li> <li>• Speech &amp; debate team is having their best season!</li> </ul>
<b>HS PSO- Nuvia Martin</b>	<ul style="list-style-type: none"> <li>• The Media Center has new stools &amp; bean bags</li> <li>• 2 PSO dress down days are scheduled for the year. The 1<sup>st</sup> one raised over \$300</li> <li>• There will be a Chipotle fundraiser on 2/2 5-8p. The high school will receive 50% of what is sold.</li> </ul>
<b>Middle School Principal- Todd Rings</b>	<ul style="list-style-type: none"> <li>• Happy New Year. Thanks for all of the support for our fundraisers this past fall we had another successful campaign.</li> <li>• Nicole Flors, Lana Traum, Alex Wong won Gold Key's in the scholastic art competition. Brooke Bartko, Cierra Dooling, Sara Schoenknecht, Lana Traum won Silver Key's for their scholastic art pieces.</li> <li>• Athletic teams are performing well this winter so far and have had a lot of success and are improving each day.</li> </ul>
<b>MS PSO- Jennifer Dzina Julie Guardado</b>	No Report
<b>Central School Principal- Chris Hartland</b>	<ul style="list-style-type: none"> <li>• Central is in the process of organizing and sending home the student/family reports for last year's State Achievement tests. Kudos to all for their hard work on the tests. Central School's student results place us within the highest ranked schools in Cuyahoga County. Current 4<sup>th</sup> graders will be receiving their 3<sup>rd</sup> Grade PARCC Math reports. Current 5<sup>th</sup> graders will be receiving their 4<sup>th</sup> grade PARCC Language Arts and Math reports as well as the 4<sup>th</sup> grade Social Studies Reports. Central School will be using the overall results</li> </ul>

	<p>of the tests to help guide building improvement efforts throughout the school year.</p> <ul style="list-style-type: none"> <li>• Midyear STAR diagnostic test results for Reading and Math and Otis-Lennon School Ability Test results will be going home with report cards. These assessments allow us to monitor student progress and ability and help us to adjust our instruction and provide intervention or enrichment throughout the year.</li> <li>• Huge thanks to the PSO for their support this month with the Central Book Club as well as the sign up for the 5<sup>th</sup> Grade Variety Show. Both activities aide and support the many interests and talents that our Central School students possess.</li> </ul>
<p><b>Central PSO- Michelle Banks Melissa DeTray</b></p>	<ul style="list-style-type: none"> <li>• <b><u>Family Activities:</u></b> Central and Highland Elementary Schools are taking the lead on a Dad &amp; Kid Movie Night which will be held on January 29<sup>th</sup> at the MS Auditorium. All elementary schools will be included in this family friendly event. Hot dogs, popcorn, candy and water bottles will be available before the movie. Although it is titled "Dad &amp; Kid Movie Night" to encourage dads to have an evening out with the kids, all family members are welcome to attend with their kids. There is a survey monkey circulating at all the elementary schools with 4 family friendly movies listed so that the students can vote on the movie they want to see.</li> <li>• <b><u>Science Club:</u></b> The 2<sup>nd</sup> Science Club meeting was held on December 2<sup>nd</sup> from 3:10 – 4:30pm. Mad Science put on the program "Fire and Ice." The kids got to witness and be a part of some really cool experiments with dry ice, flying beach balls and bubbling potions.</li> <li>• <b><u>Book Club:</u></b> Their 2nd meeting was held on Wednesday, January 6<sup>th</sup>. The book discussion was on <i>How to Eat Fried Worms.</i> Small group discussions and activities were centered around the book.</li> <li>• <b><u>Holiday Celebration Week:</u></b> Our second annual Holiday Celebration Week was held during the week of December 14 – December 18<sup>th</sup>. The students and staff enjoyed lots of fun activities each day during the week. Our highlights included the high school singing group, Music in Motion, coming to perform during lunch for all our students. They did an amazing job headed up by Emily Garlock. We also had a holiday hat day where students could where a holiday hat of their choice for \$1.00. 100% of the monies raised were donated. We raised \$172.00 for the Broadview Heights Food Pantry.</li> <li>• <b><u>Box Tops:</u></b> During our Holiday Celebration Week we ran a holiday themed box top contest. For every 50 box tops a student turned in on our special holiday collection sheets, they were entered into a drawing for one of 4 amazing wrapped surprise packages. The value of each of the 4 prize packages ranged from \$75 - \$100.00. We received awesome donations from the Cleveland Cavaliers, the Lake Erie Monsters and the Botanical Gardens to help us put together our prize packages. The Central PSO also purchased a grand prize which was a commercial grade snow tube valued at \$100.00. The contest was a huge success. We collected 11,365 box tops in just 2 weeks. This translates into \$1,136.50 raised by Central School from Box Tops for Education.</li> </ul> <p><b><u>Central's November PSO Mtg.:</u></b> Central did not have a January meeting due to the winter break. Our February meeting is scheduled for Friday, February 5<sup>th</sup>.</p>
<p><b>Chippewa Principal- Beverly Chambers</b></p>	<ul style="list-style-type: none"> <li>• The K-3 Media Specialist at Chippewa spent 1 hr. presenting a coding class. The kids loved it!</li> <li>• Remember to label clothing.</li> <li>• 2<sup>nd</sup> qtr ends 1/14 &amp; report cards will come home 1/22</li> </ul>
<p><b>Chippewa PSO- Kelly Ely &amp; Denise Gawlik</b></p>	<ul style="list-style-type: none"> <li>• December's Holiday Shoppe was a success. 175 students shopped over the two day event. We had great help from parents, Huddle Jr. and Key Club members.</li> <li>• Yuletide Hunger went well, collection was good from Chippewa families. We also did a Helping Hands Giving Tree to provide gifts and needed items to local families in need.</li> <li>• As the new year begins, we are preparing for COSI on Wheels' first visit to</li> </ul>

	Chippewa in February. We will be in need of a lot of volunteers for the all day hands on STEM event. We are also forming our Nominating and Gifts and Goals committees to begin work soon.
Highland Drive Principal- Eva O'Mara	<ul style="list-style-type: none"> <li>This year's Holiday program was GREAT!</li> <li>14 families were helped thru the school Giving Tree</li> </ul>
Highland PSO- Jill Gerber Rachelle Reusser	<ul style="list-style-type: none"> <li><u>Draw Your Destiny - PSO Event 12/13/15</u> Duane Abel -Dec 13th - "Draw You Destiny" PSO sponsored event featuring comic creator of Zed and the positive message of "Work, Read, Try". This was a high energy Interactive assembly showing Duane creating his comic characters live during the assembly and relating the message to his personal experience growing up to follow his dream. Cost \$500 for two 45-minute assemblies.</li> <li><u>Operation Outerwear - December</u> Operation Outerwear - A parent of Highland Drive, Michelle Toth, with the help of Michelle De Polo and Michele Dasenbrook initiated and organized this effort to receive donations of new and gently used outerwear including coats, hats, gloves, scarves and snow pants to be distributed right here in our own community to families in need. Twenty-seven coats were received along with forty pair of gloves along with hats and other outdoor wear items. These items have been and still are being distributed by Mrs. O'Mara.</li> <li><u>Scholastic Book Sale - December</u> Scholastic Book Sale - highest dollar amount ( \$4923.) recorded in recent years. Proceeds used towards purchase of new books and another portion in the form of cash for hard cover non-fiction items. We can get 20% in cash or 50% in Scholastic Dollars . It was very tempting to take the 50% of the Book Fair profits and get books from Scholastic but the catalog the school has to choose from is outrageously priced and our Media Center was in need of certain non-fiction books. They are able to get a better selection at better prices from the vendor we use to purchase most of our books. Therefore the school has decided to take the cash profit.</li> <li><u>Bowling</u> Our winter bowling league is being formed now and lane assignments are being put in place for our second session of bowling - January– February.</li> <li><u>Gifts and Goals</u> Gifts and goals - our staff at Highland is in the process of submitting recommendations for Gifts and Goals to Mrs. O'Mara for review. At that point the Gifts and Goals Committee will review the requests for alignment within our guidelines and approval and move forward for procurement.</li> <li><u>Sweet Ce Ce's Fundraiser</u> December 18<sup>th</sup> and 19<sup>th</sup> – awaiting results but it is believed it was somewhat lower than anticipated. They have offered a higher percentage back of sales for the months of February and March. Highland is uncertain if we would do this again.</li> <li><u>January - Dad and Kids Movie Night – 1/29/16</u> There was some discussion of the possibility of changing the event name to Family Movie Night. Upon further input from all involved it was decided to maintain the Dads and Kids name but to clarify in the description that other family role models are welcome to attend if Dad is unavailable and also that families are welcome, as well. Hot dogs, popcorn, candy and water will be available for a nominal charge.</li> <li><u>COSI Day - 2/17/16</u> This is an annual PSO sponsored event. Cost : \$990/day COSI ON WHEELS- Astounding Astronomy Program Description Astounding Astronomy is designed to introduce students to our solar system and other objects in outer space. The program consists of a 45 minute interactive assembly followed by exciting hands-on activities that engage the students and encourage the development of Science Process Skills. During the assembly, the following concepts will be explored:  <ul style="list-style-type: none"> <li>•The sizes and distances between the planets in our solar system</li> <li>•The electromagnetic spectrum</li> </ul> </li> </ul>

	<ul style="list-style-type: none"> <li>•The extreme cold of the outer planets and deep space</li> <li>•How the Earth is the only planet we know of that contains life</li> <li>• <u>Family Bingo Night – 2/19/16</u> We are also preparing for Family Bingo Night in February 19th which will take place this year again at Highland vs The Middle School which was our location in 2014 and previous years. The number of attendees is now manageable for the space at Highland in the gymnasium and we received a lot of positive feedback having the event in a familiar venue.</li> </ul>
<b>Hilton Principal- David Martin</b>	<ul style="list-style-type: none"> <li>• Reading &amp; Math benchmarking</li> <li>• Thanks for the donations to Yuletide Hunger</li> <li>• Shop with a Cop was a success. Kids got \$150 to spend buying gifts for themselves &amp; family.</li> </ul>
<b>Hilton PSO- Janelle Henning (Melody Davies reported)</b>	<ul style="list-style-type: none"> <li>• <u>Jingle Bell Jog</u> – Our Hilton families and staff raised over \$1,100 during our annual Jingle Bell Jog. This charity fundraiser/wellness event consists of students purchasing jingles for their shoes, then running laps outside on the last day of school before break. Many teachers and staff also participated in the jog. Organized by our gym teacher Ms. Mauceri, the event raises funds to help families in need at Hilton have a happy holiday season.</li> <li>• <u>STEM</u>: Both our first Science DZ event ("Weather") and our STEM Family Math Night Lego Event on 11/20/15 were well attended and had excellent feedback from families and teachers. We are looking forward to our next Science DZ event in January.</li> <li>• <u>Holiday Shoppe and Book Fair</u>: Hilton families enjoyed another wonderful holiday-themed event with our Holiday Shoppe (where children can purchase gifts for family members for \$6 or less and have them wrapped by volunteers) and winter Book Fair on 12/4. Thanks to Cathie Zelinsky, Jill Miller, and their committees for a great job.</li> <li>• <u>Holiday Brunch</u>: Our PSO members enjoyed a breakfast event on 12/8 at Eddie's Creekside, spending time together to socialize and share some holiday spirit.</li> <li>• <u>Playground Project</u>: Our playground committee met Wednesday 1/6/16 to wrap up some of the final aspects of the playground project. We are completing our playground study for our Schools Foundation grant, as well as investigating some final touches to be placed in the spring. Our donor recognition sign has been finalized and ordered and will be installed in the spring. Thanks again to everyone who helped make this project a reality!</li> </ul> <p>Upcoming events and activities:</p> <ul style="list-style-type: none"> <li>- PSO District Dads and Kids Movie Night 1/29/16</li> <li>- Spring Book Fair and Art Show 3/18/16</li> <li>- Gifts and Goals AND Nominating committees will be organizing this month</li> </ul>
